### REMARKS/ARGUMENTS

In view of the foregoing amendments, the applicants respectfully submit that the requirements set forth in the Notice to File Corrected Application Papers ("the Notice") (copy filed herewith) have been met.

Accordingly, it is believed that this application is in condition for allowance. **If, however, the Examiner believes that there are any unresolved issues, or believes that some or all of the claims are not in condition for allowance, the applicant respectfully requests that the Examiner contact the undersigned to schedule a telephone Examiner Interview before any further actions on the merits.**

The applicant will now address each of the issues raised in the outstanding Notice.

The Notice required replacement drawings for Figures 5 and 8 because these Figures included a hole punch within the illustration. Replacement sheets including Figures 5 and 8 are filed herewith. Thus, the applicants respectfully submit that the requirements of the Notice have been met.

**Conclusion**

In view of the foregoing amendments and remarks, the applicant respectfully submits that the requirements of the Notice have been met.

Respectfully submitted,
